“Disaster before Eternal Judgment” (Revelation 16:17-21)

Scripture Reading: [Revelation 16:17-21](#)

When we study the Life of our Lord, we see that He is *always* concerned for the salvation of mankind. Look back at [Revelation 16:2](#). This starts with the first angel pouring out the first bowl. Read through verse 17, where the 7th angel is introduced, pouring out wrath affecting the air; this is a judgment on *religion*.
