CONCLUDING STATEMENT:

Let's remember that *this present life on earth will be the very worst we as believers will ever experience for the rest of eternity. But, for the unbeliever... this life will be the very best they will ever see throughout eternity!* We are on the winning side. So, we should be thankful for that, *never letting a day go by* that we're not fully occupied with the Lord Jesus Christ and His Word. So now, we look forward with anticipation to [Revelation 20](#)!
