

## Wednesday, April 29, 2015 Bible Study Notes – “Unredeemed”:

Note the enlarged [Timeline Diagram](#), emphasizing the Tribulation period.

### Exegesis – [Revelation 21:8](#)

Note the last two words of this verse: *[HO] THANATOS [HO] DEUTEROS*, literally translated *the death, the second*. Now study briefly the [Categories of Death](#).

Look again at the [Greek of verse 8](#).

*APISTOS* is the word *faith* preceded by the *alpha privative*, meaning *NO faith*.

The present passive participle of *BOELLUSOMAI* is translated *having become foul*. The present tense means continuous action, passive voice means the unredeemed continue to *become foul*.

These *unredeemed ones* are described with the nouns *PHONEUSIN* (murderers), *PORNOIS* (fornicators), *FARKAMOIS* (sorcerers), *EIDOLOLATRAIS* (idolaters), and *PSEUDESIN* (false ones) in this verse.

Now study some [notes on Revelation 20:8](#).

Study the [Doctrine of Idolatry](#); see also some [other information](#) on this topic.
