

ALPHA & OMEGA PRINCIPLES

- I. Omega Glory reveals that Jesus Christ controls history.
- II. Jesus Christ, as ALPHA was Eternal God, but as OMEGA He controls History.
- III. Historical Blessings are administered through the client nation of God.
- IV. Historical disaster is usually administered through some evil, anti-God nation.
- V. ALPHA refers to the pre-incarnate Christ as Eternal God, co-equal with the Father and the Holy Spirit.
- VI. OMEGA Glory is the Glory of the Lord Jesus Christ in Hypostatic Union, which began at the Resurrection, ascension and session.
- VII. In the Omega Glory we have included: the Virgin Birth, Hypostatic Union, Humanity, Impeccability, spiritual death, Saving Work, Redemption, Propitiation, Reconciliation, Imputation, somatic physical death, Bodily Resurrection, and the awarding of the 3rd Monopoly.
- VIII. Revelation is the history of our Lord's Royal monopoly – when given – what must happen before the Second Advent, and what happens down to the end of the world.
- IX. Summary of Omega Glory – includes His Uniqueness as the God-man, and His Work on the Cross (Acts 4:12, John 14:6).
- X. This Royal patent was given without a Royal Family, and the Church age was inserted to provide our Lord His Royal Family forever. Notice KURIOS – Lord comes before THEOS – to emphasize His Incarnation - The Omega Glory. THEOS emphasizes His ALPHA Glory.
