

The Falls of Lucifer or Satan

(Excerpt from Lesson 2 in the posted Topical Bible Study, ["Satan"](#))

1. The first fall occurred when Satan sinned ([Isaiah 14:13-14; Ezekiel 28:15,17](#)). He *"...was perfect until iniquity was found in him."*
 - a. Lucifer could not pass the prosperity test. He had everything going for him, but he failed.
 - b. The first fall (or negative volition) led to power lust.
2. The second fall – He was cast out from his exalted position in heaven ([Ezekiel 28:16, 17; Revelation 12:7-9](#)).
 - a. Though he lost his position, he still has access to the throne room, when angels assemble.
 - b. Currently, he apparently moves between the first and second heaven, accusing believers.
3. The third fall will occur at the end of the Millennium ([Revelation 20:3, 7](#)).
 - a. At the end of the Millennium, Satan will be loosed for a season.
 - b. During his release, he will seek to destroy the perfect environment of the Millennium, just as he did the perfect garden.
 - c. But God will put him down forever, with *"fire from heaven"* ([Revelation 20:8, 9](#)).
