PASTOR – TYPES

- I. COSMIC PASTOR – Chooses to disobey God consistently, and can be identified by the content of his message. He can be a believer, or even an unbeliever. His congregation is often involved in political and social action and events.
- II. BABY PASTOR – Becomes involved in cosmic propaganda, often a “holy roller”, or a “do-gooder”.
- III. ADOLESCENT PASTOR – Can only bring the congregation up to his own level of advance, but may emphasize subjects of morality, or exercising legalism.
- IV. MATURE PASTOR – This pastor has chosen to faithfully continue in God's Word. Though he may have limitations, he will always be effective in the communication of God's Word (I Thessalonians 2:19-20) and will be the recipient of the Crown of Glory.
