

REVELATION 20:13-15 NOTES

[Revelation 20:13-15](#) – “Angels Judged - 2nd Death - Eternal Loss”

[Revelation 20:13](#) – The fallen angels are judged.

“And the sea gave up the dead which were in it...” – Sea is the word *Thalassa* (θάλασσα), which means LAKE ([Rev. 20:13](#); [Job 38:8](#)). In the [Hebrew of the Job passage](#), it indicates that there are doors – sea-doors – in the bottomless pit.

The sea is a reference to the place where the fallen angels are located. [Jude 6](#) and [Matt.25:41](#) depict that all fallen angels will be in the LAKE of fire.

“And death and Hades gave up the dead which were in them.”

Remember that the Old Testament saints were in a place called Paradise, or Abraham’s bosom, and after the resurrection of Jesus Christ, they were transferred to the 3rd Heaven. Then there is a great gulf fixed, and we have Hades. *HADES IS THE PLACE WHERE ALL UNBELIEVERS ARE LOCATED SINCE THE BEGINNING OF TIME* (Apparently in the heart of the earth)! Then (perhaps) below this, we have *Tartarus* or *the Abyss*. *THIS HAS TO REFER TO THE FALLEN ANGELS IN THE SEA* (Abyss), and those unbelievers of Hades. They are brought up, and then cast into the Lake of fire (*both groups are judged and cast into fire*).

“And they were judged, every man according to their works.” – Not *sins*, but *works* – Good deeds! *THE ONLY WORK THAT WILL SATISFY GOD FOR SALVATION IS THE WORK OF JESUS CHRIST.*

Now Study: [Categories of Death](#), [Summary of Physical Death](#), and the [Doctrine of Physical Death](#).

[Revelation 20:14](#) – *SECOND DEATH* – “And death and hell were cast (aorist passive indicative) into the lake of fire.”

[Revelation 20:15](#) – “And whosoever was not found written in the book of life was cast into the lake of fire.”

“Written” – Perfect passive participle, nominative masculine singular of γράφω

“Cast” – Aorist passive indicative, 3rd person singular of βάλλω – a *real place* – the LAKE OF FIRE!
