

Biblical Time Line - Church Age

BIBLICAL TIME LINE (Emphasis on the Church Age)

The Church Age is the "intercalated period", *inserted* into the Age of Israel, which ends at the beginning of the Millennium, or 1000-year reign of our Lord Jesus Christ on Earth

Approximately 50 days after our Lord's Crucifixion is the "Day of Pentecost", marking the beginning of the Church Age, divided into two periods: Pre-canon (Pentecost to 96 AD, when the written canon of scripture was completed), and Post-canon (96 AD to present time).

The Church Age is preceded by the short period during the Age of Israel called the "Hypostatic Union" when our Lord Jesus Christ takes the form of true humanity for approximately 33 years (4 BC - 30 AD).

The insertion of the Church Age interrupts the Age of Israel, which then continues at the end of the Church Age, marked by the event called the "Rapture" (When our Lord calls the Church home, removing it from the earth).

The Rapture also resumes, and consumates, the Age of Israel through the 7-year period called the "Tribulation".

This 7-year period of tribulation is ended by the event called the 2nd Advent (of our Lord Jesus Christ), marking the beginning of the new age, called the "Millennium", which is the 1000-year reign of Christ, a period marked by perfect environment, beginning only with believers, and ending with both believers AND unbelievers.
