

Holy Spirit Mandates

The Filling of the Holy Spirit is the power by which the divine dynasphere (DD) functions.

Apart from the ministry of the Holy Spirit, there is no spiritual IQ for perception of God's Word. The only legitimate power for the perception and application of God's Word is that of the Holy Spirit.

- Mandate I – Residence in the DD. ([Eph. 5:18](#)) “Be Filled...”
- Mandate II – Function in the DD. ([Gal. 5:16](#)) “Walk by means...”
- Mandate III – “Grieve not” ([Eph. 4:30](#)) Outside the DD.
- Mandate IV – “Quench not” ([1 Thess. 5:19](#)) Prolonged disobedience.

The most complicated categories of divine truth can be learned when a believer (no matter the IQ) is inside the DD. Spiritual IQ only works effectively in the DD. Grieving and/or quenching the Holy Spirit causes the divine system to cease functioning. The only place to learn God's Word, (no matter the IQ) is in the DD.
