

Three Major Imputations of Scripture

There are three major imputations set forth in the scriptures; these are the basis of three great Biblical concepts:

1. The imputation of Adam's sin to the race, on which fact the Biblical concept of *original sin* is based
2. The imputation of the sin of man to Christ, on which fact the Biblical concept of *salvation* is based
3. The imputation of the righteousness of God to those who believe on Christ, on which fact the Biblical concept of *justification* is based.
